

PUBLIC ENQUIRY OFFICE

We have a specific slot at the Public Enquiry Office at the Home Office in Croydon which enables us to attend in person on a Tuesday to make certain applications.

This allows clients to have urgent applications processed on the same day. The most common application made in this way is leave to remain in the UK pursuant to a Work Permit. Under the new arrangements the application fee will rise by £50 to £550.

In addition we are also able to make other applications including applications for indefinite leave to remain and the transfer of immigration conditions to a new passport.
